The International Mass - was a wonderful success last Sunday. Ingrid wrote, "Thank you for such preparation - and such an expression of faith - and what diversity - and colour and life! It's so obvious our parish belongs to the world and not to any one little group like so many places. This is what gives us such life and hope and it was plain to be seen on Sunday". The food was only superb from so many countries. Thanks to every person who contributed to the Mass - the food tables - the refreshments and the music. Well done - a splendid summer Sunday.
